20th February 2017

Dear Parents/Guardians,

The sun rises every day and every night the stars shine. If today was a disappointment, remember that the cycle of life goes on. Tomorrow will be a new start.

A very busy term in full swing. Learners **must** be fully engaged with their studies and homework. We urge learners to take PRIDE in their work presentation and results of tests. Teachers are very well prepared for lessons daily – it is the duty of every learner to be serious about schoolwork and be fully prepared to learn what is being taught.

We look forward to this strong team working together with learners and teachers to ensure our school is well managed in all aspects from litter to discipline. Making 2017 stress free!

School fees:

All 2016 school fees should be paid in full now. Thank you to parents who keep fees up to date. This helps with the smooth financial running of our school.

Fund raising:

The raffle has been sent out and to date we have only received back 233 sheets. **We need to get the outstanding 396 sheets back ASAP.** The draw takes place at the end of term. We would like to thank you for your support as the money raised is used for the maintenance of the school.

Valentine's Day:

Thank you for sending the learners to school so beautifully dressed. The red, white and pink was very festive!

Message from the Principal's Desk

The past is lost to you forever, and the future isn't yet yours. Now is the only time you own. USE IT WELL.

As we prepare for Lent and move into the middle of Term 1, we recognise in ourselves and those around us that Love is not blind. It has an extra spiritual eye to see the good and possibilities that others cannot see. Whatever we do is never for nothing, it is kept in the hearts of those we have served.

May God richly bless you and your families as we journey together in understanding and support of each other in 2017.

Yours faithfully

Mrs. A. Filiantris
Principal
