9th May 2017

Dear Parents/Guardians,

There are only **40** school days left to the end of Term 2!! This means no time for learners to be lazy. Learners must be committed to complete tasks, doing homework, revision and preparation.

Sport: Soccer tournament 6th May 2017

Mr Ntombela successfully arranged an awesome day of under 14 soccer matches against 3 other schools. Transform .C.
Juventus F.C
Khuthala Primary School

The results were as follows: Mayfair won 1 game; drew 2 games and lost 1 game.

Man of the match: Sakhile Ndweni 7[3]

Top Goal scorer: Monimoni Kganyago 7[3] [5 goals]

Congratulations to the team and a very special thank you to Mr Ntombela and all the supporters who arrived to cheer on the teams, parents, teachers and prefect team. We are very proud of you.

Health and Hygiene:

Vaccinations: Parents please be aware that as a private school we do not qualify for the government inoculation programme. We suggest that parents act responsibly and have learners vaccinated at local clinics. There seems to be a new measles outbreak.

We would also like to remind parents of **12 year olds** that they need to have their normal booster vaccinations at clinics.

Parents please also be aware that learners will benefit from flu vaccinations. We enclose an article about de-worming that was printed in the CIE magazine Issue 1 of April 2017.

We urge parents to keep learners who are unwell at home, and not send them to school. Contagious diseases affect other learners and teachers.

Learners should carry their own tissues and be taught to wash hands frequently with soap and water. Teachers may not dispense medication at school. Medication should be given administered before school and again when they get home. No medication may be carried around by children. Throat lozenges are the only medication learners may have with them.

In the interest of our learners we request your support in this matter.
