Dear Parents/Guardians,

Test week is well underway. These exams are crucial in deciding promotion. Learners are urged to be seriously involved with studies.

Booklists Gr. 4-7:

We are at that time of the year when booklists are being sent home so that orders can be placed. You only need to pay for books on collection. All learners need their books for the 1st day of the New Year 2018. Teachers will inform you at a later date about covering the books.

ALL ORDERS MUST BE BACK BY MONDAY 18TH SEPTEMBER 2017 WHEN THE ORDERS NEED TO BE SENT BACK TO SUPPLIERS.

Please note that you are free to purchase books from any other supplier, **BUT** note that you get the correct ISBN number on books. Texts are different in later prints.

Any learners with outstanding fees will be removed from class lists at the end of November and replaced with new applicants on the waiting list. This is non-negotiable, as we have people on waiting lists.

Entrepreneurs Day Gr. 7:

A lovely day was had. Some learners were more successful than others. We congratulate their inventiveness. All grade 7's after cash up should have returned initial expense to parents. [Those who had successful stalls!] We thank parents for their input and support.

Message from Principal's Desk

The end of another term lies at our doorstep. Summer came with little spring!

Parents please use the short holiday to treat learners with medication to eliminate parasites such as worms, etc. Many learners also have rashes brought on by dry heat, eye infections, etc. Keep sick and infected learners at home. We do not want infected learners to infect others, which includes making teachers ill. Flu and tummy bugs need to stay at home **NOT** come to school as we may not administer medication of any sort to learners.

Wishing all a restful short break.

Yours sincerely

Mrs A Filiantris
Principal
