17th November 2017

Dear Parents/Guardians,

The end of 2017! How fast time has flown! Another year is now history. This was a challenging year for many but through it all we grew stronger.

Thank you for your support and co-operation. A school cannot function successfully without it. It is you the parent that make the difference.

Our learners have been challenged with CAPS curriculum, the Horizon Maths, Conquesta, Athletics, sports, and the normal day to day struggles to get through the curriculum. We are proud of them. Many have been very successful. All we can ask for daily is that each child comes to school fully prepared to do their best.

Fun in the Sun – 24th November 2017:

Learners are to pay R50 to class teacher. NO PAY NO PLAY.

Message from Junior Phase HOD:

We have come to the close of the 2017 school year with much gratitude and appreciation. I would like to thank the Foundation Phase teachers for their hard work, dedication and commitment shown this year. To the learners well done and all the best for 2018. To those who have not performed to the best of their ability, keep on trying. To you, the parents thank you for your support and assistance

throughout this year. We appreciate your input into the education of our learners. Have a blessed, safe and peaceful festive season. Mrs T van der Merwe

Message from Intermediate Phase HOD:

We have come to another year end with much trepidation and excitement as you anticipate the results of a year's work of your child. Some will be pleased with good to excellent achievements whilst others have to be content with mediocre results. It is however imperative you mentor, motivate and continuously involve yourself in your child's journey through school. I would like to congratulate all the learners for making progress. A special farewell to the 2017 Gr. 7's as they embark on the next leg of their journey through High School, wishing them every success along that road. A sincere expression of thanks and gratitude to the educators for their commitment and continuous effort to strive for excellence. Wishing you all a blessed festive season be alert, drive safely and ensure that your children are protected from danger.

Merry Christmas and a Prosperous God filled New Year. Mrs G Abrahams

Message from RE Co-ordinator:

The end of the 4th Term is approaching faster than we could have imagined. It is always a big surprise as we have engaged and fully participated in our scheduled tasks and activities. As we reflect on the year we feel gratitude to God, the entire staff for their dedication, the parents and learners that we worked together to reach our goals. The theme for the Catholic School for this year is "Walking forward together in the love of our God" May we always hold hands and continue walking forward. Wishing you all the richest blessings for the Holy Season as we celebrate the birth of our Lord and Saviour Jesus Christ. Sr. Miriam

The Advent Season is the time to re-evaluate our bonds with family, to spend time re-charging our energies for a new year. A time to spend building our faith and strengthen our relationships with each other.

Philippians 2:1-2

If you have encouragement from being united in Christ, if any comfort from His love, if any fellowship with the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and purpose

Christ's Church is made up of people bound together by their common elder – Christ. Members of a family should love one another, even through difficult times. We should unite with the purpose of sharing God's love.

It is our wish and prayer that each family of Mayfair Convent School will have a blessed, peaceful Christmas time, united in love and common purpose of peace.

Enjoy the time of rest and return rejuvenated and energized for another year of hard work in 2018.

God bless.

Yours sincerely

Mrs. A. Filiantris
Principal
